Y5 Mixed cricket tournament... On Friday 13th June, a team of year 5 cricketers attended a tournament at RGS, Worcester. They competed in 3 matches against schools from Worcester and Droitwich. It was a great afternoon and everyone enjoyed taking turns batting and bowling in some very close games.

We finished in 3rd place out of 4 schools, well done all!

We are delighted to announce that we have achieved the **School Games Gold Mark Award** for the 2024/25 academic year.

The "Gold Sports Games Mark" is a national award scheme in England that recognizes and rewards schools for their commitment to developing competitive sport and physical activity within their school and the wider community. It's part of the broader [School Games program](#). Schools apply for the mark, demonstrating their engagement in various aspects of sports and physical activity, and are assessed against a national benchmark. The award has different levels, with Gold being a prestigious recognition of a school's dedication. A HUGE thank you to all involved.

We have been offered new ESOL courses to start in September.

They're proposing to run a non-accredited course starting in September, followed by an accredited City & Guilds Functional Skills Entry 1 qualification. This would be a perfect opportunity to develop your English skills with a very friendly tutor.

If you have been worried/ nervous about coming along before, do speak to some of our current parents who attend- they are really enjoying it. Let Mrs Marshall or the office know if you are interested.
