

Appendix 15 - Sport Premium funding – Evidencing the Impact 18/19

The 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
- the profile of PE and sport is raised across the school as a tool for whole-school improvement;
- increased confidence, knowledge and skills of all staff in teaching PE and sport;
- broader experience of a range of sports and activities offered to all pupils;
- increased participation in competitive sport.
