Tag Rugby

On Thursday 17th October a team of year 4 pupils travelled to Red Hill Primary School, to participate in a tag-rugby competition. This event was attended by 7 local primary schools.

The team demonstrated great team spirit throughout the competition. There was some great attacking and defending as a team, along with great respect shown for their opponents.

Our team began the competition with a well-earned draw, before winning their second game. Although they experienced a narrow defeat against the host school, our team soon got back to winning ways. In a tight contest our team finished in 4th place overall.

Eco Committee

Our Eco committee have made a great start towards becoming a plastic free school! We've made the switch from individual milk cartons with single use plastic straws, to reusable glass bottles. Well done everyone.
