Dear Nearly Year 6,

Transition this year is a little different to normal, but we are so excited start back to school in September with you.

We have put together a couple of activities that we would have completed together on transition days. Try to complete a page a day, use it to begin thinking about next year.

If you would like to send us your work, please email [sr.y6homelearning@perryhallmat.co.uk](mailto:sr.y6homelearning@perryhallmat.co.uk) – we would love to see what you have been up to!

Change can be difficult, but it also leads you to new beginnings and exciting adventures.

Enjoy your summer, stay safe – we can't wait to see you in September!

Mrs French and Mrs Alviti

**Draw the cover of your favourite book in the triangle below. If you email it to us, we can display it in class as bunting!**

## **The Zone Board**

The zone board is how we know if we are behaving appropriately in class. On each colour, write down what they mean. You can give examples of behaviour that link to each colour. Next to the zone board, we display reasons for moving up or down, so you always know why you have moved.

And now for some colouring...
