

The MORE  
that you read,  
the MORE things  
you will know.  
The MORE that you  
LEARN,  
the MORE places you'll go.

We're all  
*Different*  
but there's something kind of  
*Fantastic*  
about that, isn't there?

Dear New Sapphire, Turquoise and Blue Class,

Transition this year is a little different to normal, but we are so excited to return back to school in September with you.

We have put together some activities that we would have completed together on transition days. If you would like to send us your work, please email us at:

or

We would love to see what you have been up to!

*Change can be difficult, but it also leads you to new beginnings and exciting adventures.*

Enjoy your summer, stay safe – we can't wait to see you in September!

# My hopes and dreams

What are your hopes and dreams for your new class?  
Write them down or draw them. Keep them safe and bring  
them in to school when you return in September.

# All about me

Fill in the bunting below. Or make your own! Don't forget to add a picture of you.

We will hang these up in our classroom in September.

# What are you an expert in?

Write down some of the things you are amazing at. You could draw a picture of you doing it too! Bring them in to school in September.

I can...

# Time Capsule

Complete the activity below. Fill in the gaps and draw your favourite things. Once you have finished, put this sheet in an envelope and seal it shut. Give your envelope to your new teacher. We will open our envelopes next July and see how much we have changed and grown. Make it colourful and show off your best handwriting.

My name is \_\_\_\_\_ and I am \_\_\_\_\_ years old.

I am joining \_\_\_\_\_ Class in September 2020.

I am \_\_\_\_\_ cm tall and my feet are a size \_\_\_\_\_ .

Here are some of my favourite things:

My favourite colour.

My favourite animal.

My favourite food.

My favourite book.

My favourite film.

My favourite lesson at school.

# Self portrait

Draw your face and hair. **Do not** draw your body.

Use a mirror to look at your facial features and your hair.

Look at the shape of your eyes. Don't forget your eyebrows.

Look at the shape of your nose.

Look carefully at the shape of your lips.

# My family

Who is in your family?

Can you draw and label them all?
