you can steer yourself in any
direction you choose!"**

--Dr. Seuss

Promise me you'll always remember:
You're braver than you believe, stronger
than you seem, and smarter
than you think

Dear Nearly Years 3 and 4,

Transition this year is a little different to normal, but we are so excited to return back to school in September with you.

We have put together a couple of activities that we would have completed together on transition days. If you would like to send us your work, please email us at:

sr.y3homelearning@perryhallmat.co.uk

or

sr.y4homelearning@perryhallmat.co.uk

We would love to see what you have been up to!

Change can be difficult, but it also leads you to new beginnings and exciting adventures.

Enjoy your summer, stay safe – we can't wait to see you in September!

Friendships

You are looking for a good friend in your next class. What makes and who is a good friend? Draw what you think a good friend looks like and then finish the sentence by describing what personal qualities you would like them to have. Are they kind? Funny? Do they like what you like?

Wanted!

a Good Friend Who Is...

The poster is a light brown, torn-edged rectangle with a dark brown outline. At the top center, there is a small dark brown circle with a tail pointing to the left, resembling a pushpin. The word "Wanted!" is written in a bold, black, sans-serif font. Below it is a large, empty white rounded rectangle for drawing. Underneath the drawing area, the text "a Good Friend Who Is..." is written in a black, sans-serif font. Below this text is another large, empty white rounded rectangle for writing.

Tell us how you are amazing!

Read and finish the sentences below to us why and how you are an amazing individual!

All About Me

Complete this on a computer/tablet or laptop if you have one, and once done, email it to the school using the Year 3 or 4 email.

Creativity Challenge

Creativity is all about imaginative problem solving. A paper clip is an uninteresting everyday object, or is it? Can you think of 5 unique uses for a paper clip? Try to be as imaginative as possible and try to forget its actual purpose!

	Description	Visualisation
0	E.g. The paper clip could be bent carefully into the shape of a coat hanger for a house mouse.
