Dear Parents,

Welcome back. It has been great seeing and meeting you all this week. Your children have done you proud. They have been polite, well behaved and have worked their cotton socks off. It has been delightful to have them back.

Please remember, this is your school. We are one community and if you ever have any worries or questions let us know and we will work together to ensure your children are safe, happy and reach their full potential as learners and human beings.

You will have noticed that Mrs Heather and Mrs Marshall have put out the year group posters this morning so that the children know where to stand in the mornings so as to maintain social distancing. Thank you for your co-operation in following the one way system in and out of school. It is really important we do follow this in order to keep our community safe.

I would also like to pay tribute to the staff who have worked tirelessly in the build up to the reopening of the school. They have been amazed at how well the children have settled back in.

We will be sending reading books out again shortly. When they are returned they will be quarantined for 72 hours before going out again. This means the changeover of books will not be so rapid due to Covid 19 restrictions.

Children will not only have a book to take home but they will also have one to read in class. I always says this, but reading is the single most important thing we teach. If you cannot read it makes life incredibly difficult, for instance you will never pass a driving test. Not only does being a good reader make life in general easier it can also give such enjoyment and at times comfort. So if you can listen to your children read when they come home you are doing a wonderful and important task.

EYFS will have the same arrangement for quarantining books and they will be changed every Tuesday.

Homework will go out at the end of September and it will be online again due to Covid 19 restrictions. The Trust are very clear that this month should be a settling in period where we establish workable and safe routines for everyone.

Please have a wonderful weekend. Stay safe and take care.

Kind Regards,

Mr Brownsword,
Headteacher
Stanley Road Primary School
