Dear Parents and Carers,

You will have received a letter today informing you that a child in our school has tested positive for Covid 19. The child is in Year 6 and we sincerely hope that this child makes a full and speedy recovery. This means both Year 6 classes have been sent home to self-isolate until Thursday November 5th when they can return to school. As always we are following guidance from the DfE and the Local Health Protection Team with whom I have been speaking to today.

I would like to commend the behaviour of our Year 6 children who have been magnificent. They were very calm, very patient and very well behaved while they waited to be collected. Well done Year 6. You are made of the 'right stuff.' It is great to know that we have role models like you at Stanley Road. You are a credit to yourselves, your parents and the school.

Just a quick reminder if any of you or children test positive for Covid 19 during half-term (and we all sincerely hope no one does) could you please email the Office so that we can plan accordingly.

Reminder of Covid 19 symptoms.

These are the three main symptoms of coronavirus. If you get just one of them, you should get a test.

- **New and continuous cough - coughing a lot for more than an hour, or having three or more coughing episodes in 24 hours.**
- **Fever - a temperature above 37.8C.**
- **Change in smell or taste - either you cannot taste or smell anything, or these senses are different to normal.**

Please have a great break. Take care and stay safe

Kind Regards,

Mr Brownsword
