Dear Parents and Carers,

Next week we look forward to the return of our wonderful Reception, Year 1 and Year 2 classes along with our wonderful staff. Below is a reminder of starting and end of the day times:

Reception - 9.00am to 3.00pm
Years' 1 and 2 - 8.55am to 3.20pm

Once again we have had a terrific Star of the Week assembly. Common themes this week were: hard work, excellent progress, great problem solving ability, creativity and accuracy in work, being a supportive learning partner, excellent behaviour, being determined, super listening and striving to be the best you can be. These are terrific qualities in young children and let's not forget our oldest children are only eleven years of age. Going forward these are the kind of qualities prospective employers are desperate to have in their work force. Well done children. We are very proud of you.

As we go forward we really want to develop Stanley Road as a proper community school, as part of this process we had PC Cath Broadfield and PCSO Nicky Williscroft visit today (socially distancing and wearing face coverings inside the school building). They were very impressed by our children (you might have seen Cath on the school gate yesterday). We will be developing our links with the emergency services and other partners as the year goes on. I think it is important that we continue to be an outward looking school which develops strong links with our local community and the wider community outside. Hopefully, at some stage, we can return to some kind of normality and really develop this side of things. We strongly welcome your involvement and participation in your children's learning and future school events.

You will all have received news from last night's Local Governing Body meeting that the consultation process has been ended. All of us in school support and welcome this decision made by the Governing Body. I think everyone agrees that this is the right decision during this difficult and challenging time.'

Finally, a big well done to Miss S. Taylor who has passed the CACHE Level 2 Certificate in Understanding Mental Health First Aid and Mental Health Advocacy in the Workplace.

Reminder of Covid 19 symptoms.

These are the three main symptoms of coronavirus. If you get just one of them, you should get a test.

- **New and continuous cough - coughing a lot for more than an hour, or having three or more coughing episodes in 24 hours.**
- **Fever - a temperature above 37.8C.**
- **Change in smell or taste - either you cannot taste or smell anything, or these senses are different to normal.**

Have a lovely weekend. Please take care and stay safe.

Kind Regards,
Mr Brownsword
