Friday 29th January 2021
Dear Parents and Carers,

I hope you are all safe, well and maintaining some level of calmness. I have three boys so I know how tricky it can be to manage them in normal times, let alone in a pandemic when they are expected to do their school work.

On behalf of all the staff at Stanley Road can I thank you for the lovely comments that you have been sending in to the office. I cannot begin to tell how much they are appreciated by everyone here. The staff have worked incredibly hard to get work out and to provide live lessons. They have also asked me to say how brilliant it has been to see the children on TEAMS. I am mightily impressed by one of our Year 6 children today who was in Specsavers with his mum and who was still accessing the Year 6 assembly and English lesson.

Laptops

This week I have collected three reconditioned laptops from Bits and PC's Computer Store on Astwood Road and they will be distributed to our families in due course. The director of the company, Piotr Goledziejewski is taking in unwanted laptops and refurbishing them to send out to schools. He is a fantastic man who just wants to help out the community. He was featured in the local paper earlier in the week. If any of you have any laptops, tablets etc that you don't use, don't need or are broken and would like to donate them please bring them into the Office. I will then take them up to Piotr so that he can work his magic on them and we will redistribute them amongst the community.

Reminder of Covid 19 symptoms.

These are the three main symptoms of coronavirus. If you get just one of them, you should get a test.

- **New and continuous cough - coughing a lot for more than an hour, or having three or more coughing episodes in 24 hours.**
- **Fever - a temperature above 37.8C.**
- **Change in smell or taste - either you cannot taste or smell anything, or these senses are different to normal.**
