

Devices you can use to access Office 365 and Microsoft Teams

We will be using Microsoft Teams for some of our remote learning lessons. These are normally accessed using a laptop, pc, tablet or phone online or using a downloaded app (*apps are available to download for these in both the apple app store and android stores*).

Some games consoles have web browsers and can access teams too! These include:

PS4 and PS5 (PlayStation), Xbox, Smart TV's and Amazon Fire sticks.

X Box

- Go to 'my games and apps'
- Find **Microsoft Edge** and select
- Type in: **Microsoft Teams**
- Use your school log in (Your school email address and password)
- You can access Teams, your emails, and other Office programs including Word, PowerPoint, Teams and Excel

PS4 /PS5 (PlayStation)

PS4™

- Find the **PlayStation internet browser** (*it is **www** with dots around it*)
- Press the PS4 logo on the controller
- Go to the library and find options for games and applications and you will find the internet browser
- Type in: **Microsoft Teams**
- Use your school log in (Your school email address and password)
- To move around use the controller or plug in a mouse

Amazon Fire stick and Smart TV's

- Find the **internet browser icon** (usually either internet explorer, a large E or Google Chrome)
- Go to the **library** and find the **options for applications (apps)** and you will find the **internet browser**
- Type in: **Microsoft Teams**
- Use your school log in (Your school email address and password)
- You can access Teams, your emails, and other Office programs including Word, PowerPoint, Teams and Excel.
- To move around use the remote control or plug in a mouse
