Dear Parents and carers,

We know you are all working incredibly hard and doing an amazing job at home with your children and we are very grateful to the support you are giving to home schooling. We know home learning is not always easy and that you will have times where it all feels a bit too much but we want to all assure you that no matter how small or how much you do with your child you should celebrate it all.

We want everything we do to have a positive impact and we will continue to record and upload the lessons on to Tapestry as we know from feedback how much this has been appreciated. We will also continue to have printed packs available from the school office every Monday. Don't forget you can upload pictures, videos and messages on to Tapestry, we have loved seeing all of the things that you have been getting up to. Not just the work but also things like your incredible snowmen!

We have taken the decision to stop our weekly phone calls and instead we will send a message to each child on Tapestry. This is not because we do not want to speak to you but it is to ensure we are not overwhelming you. Please can we ask you to respond to this message either by replying or simply liking the message so we know you are all doing ok. If you would like a phone call please respond to the message letting us know and we will ensure we call you during the week. If we do not hear from you we will continue to call each week. We are of course still here for you to contact if there is anything we can do to support with home learning further.

We have really enjoyed seeing the children on TEAMS the past couple of weeks and we will continue with these meetings. It has been a lovely way for the children to see their friends, speak to their teachers and we will share some work.

Thank you for your ongoing support. We know it is not always easy but everything you do is appreciated.

Take care and stay safe.

Mrs Heather  
EYFS Lead
