

SEND Home Learning Information

Hi there everyone,

I know parents and carers have been working to complete all sorts of wonderful home learning during this difficult time but thought some links to SEND websites may be useful both for activities for children and information for Parents and Carers

During Lockdown referrals to outside agencies and requests for assessment are still being made and outside agencies, including Early Help can be contacted by parents via school.

Some agencies are contacting parents directly for remote appointments but not all can currently offer this – they will be in contact with school to reschedule any cancelled appointments.

Please contact Mrs Tracey Murphy – SENDCo if you have a query. I can be contacted on :

01905 355043
