Friday 12th March 2021

Dear Parents and Carers,

It has been fantastic to see your children and yourselves back this week. Stanley Road feels like a school again. A wonderful first week back has been topped off with a brilliant Star of the Week assembly.

Red Nose Day

We will be holding a non-uniform day for Red Nose Day on **Friday 19th March 2021**.

Scooters in school

I would just like to say well done to anyone coming into school on bicycles and scooters. They are a great form of transport and a great way of keeping fit. Could scooter riders please take care on the playground in the mornings as one of our children was nearly hit by someone going a little too fast.

Book Week 2021

Last week we celebrated Book Week 2021. It was very different to previous years, but we still had lots of fun taking part in activities to celebrate reading. We had three competitions throughout the week. The Stanley Road staff chose their favourite childhood book and brought in a photo of themselves as a child. The photos and books were mixed up and the challenge was to not only work out who's who but match them to their favourite book too! It was very tricky! Michael and Ben were the winners. Well done boys.

Instead of dressing up for World Book Day, we asked families to turn something at home (pillowcase, potato, etc) into something related to a book. Angelyna won with her Cruella DeVille potato. Well done Angelyna.

The final competition was The Masked Reader. Staff recorded themselves wearing a 'mask' reading a story. Working out who was behind each mask was a challenge. Bobby and Frank managed to guess all Masked Readers correctly. Well done boys.

Our final celebration of World Book Day was an all-day live read. Stories were read on TEAMS throughout the day and families could join whichever stories they fancied. It was an enjoyable experience for both staff and children.

Entrance and exit points

There is a one-way system for entrance and exit from Stanley Road. Parents/carers and children should enter the school from the Stanley Road vehicle entrance and leave along the pedestrian path. Thank you for your co-operation.

Medication

If your child has an asthma inhaler or takes prescribed medicine can you please ensure that they are brought in to school.

Community News

Spring into Volunteering with Onside!

The Worcestershire charity, Onside, is encouraging people to sign up as volunteers to support their project to overcome loneliness and isolation. The PLUS project (PLUS stands for People Like US) centres around mentoring and supporting someone to build their confidence, enabling individuals to connect with others and to become more active and engaged in their communities.

Volunteers on the PLUS project support people with an hour or two each week or fortnight. The support they give might include mentoring and coaching to build confidence, sourcing information about local clubs and opportunities and possibly accompanying individuals to activities so that they gain confidence to attend independently. The aim is for this one-to-one support to last no longer than six months.

Volunteers are ordinary people of all ages and backgrounds who just need to be good listeners and have some time to give; it is a great way of getting to know a person while making a difference to local people's lives. Currently much of the support is on the telephone building relationships and confidence, so that when lockdown lifts the people they help feel empowered to start connecting again.

Free training (currently over Zoom) is given to carry out the role and Onside have dedicated volunteer coordinators on the PLUS team to help volunteers with all aspects of their role. Volunteers also meet up (currently virtually) to share ideas and to encourage each other; so volunteering with Onside is a great way to meet other likeminded people in your area too.

Onside Volunteer Manager, Claire Watkins, said, "Our volunteers give their time, their passion

and enthusiasm, this is a great time to volunteer in this exciting role. This particular role is very worthwhile and extremely rewarding. At present we are providing support over the phone, but we will start to support people back out in their communities as soon as we are able."

If you can support us for an hour or two each week or fortnight and you can picture yourself in the role as an Onside Volunteer, please call Claire Watkins - Volunteer Manager on 01905 27525 or email claire.watkins@onside-advocacy.org.uk to find out more. This type of volunteering can be very flexible to fit with your life and circumstances. Full training and support is provided and all expenses paid.

Local Elections

There are local elections taking place soon. If you are concerned about stepping outside to go and vote during the Covid 19 pandemic please see the two links below about postal voting and voting online:

<https://www.worcester.gov.uk/councillors-democracy/elections>

This is the Worcester City Council information page with the links to get a postal vote. To register for a postal vote, it is necessary to sign a printed form and then return it to the Guildhall. If people are unable to print this themselves, it can be requested from the City Council team.

<https://www.electoralcommission.org.uk/i-am-a/voter/register-vote-and-update-your-details>

This is a link for general information with the link to be able to register to vote online.

Family Testing Kits

Parents and carers (adults over 18) of primary aged children can now collect or order twice weekly home testing kits. The nearest home test collection point to us is at County Hall. They can also be ordered if you click on the link below:

<https://test-for-coronavirus.service.gov.uk/order-lateral-flow-kits/condition>

Have a lovely weekend. Please take care, stay safe and hopefully we will see you all again on Monday.

Kind Regards,
Mr Brownsword
