Friday 7th May 2021

Dear Parents and Carers,

Welcome to the Summer Term! It has been fantastic to see you and your children back in school over the last few weeks. We hope you managed to have a good break with your families.

Just a few housekeeping reminders:-

Scooters in school

While coming into school on bicycles and scooters is a great form of transport and a great way of keeping fit, could scooter riders please take care on the playground.

Absence

If your child is unwell could you please call or email the office by 9.00am so that we are aware your child will not be in school that day.

Lates

If your child's door entrance is shut they must come into school through the main office and they will be recorded with a late code. Lessons start promptly so can you please make sure your child is on time. Thank you in anticipation.

Alternative collection arrangements/Late pick ups

If you need to make alternative arrangements, please let us know in advance. Children that have not been collected after school will be escorted to the office to wait.

Medical Appointments

Could everyone please try to ensure that medical/dental appointments are made out of school hours so that children do not lose learning time. We do appreciate however, that this is not always possible during the pandemic. Evidence of appointments will be asked for.

Medication

If your child has an asthma inhaler or takes prescribed medicine can you please ensure that they are brought in to school.
