ECO—No Electricity Day

Friday 19th Nov was an exciting day for everyone in school. With no mains lights, computers or whiteboards, children were able to experience life without something we all take for granted. Children across the school were busy talking about electricity, how its sourced and how we can save electricity to help reduce our carbon footprint. Each class created 'Switch It Off' posters and the Eco committee member from each class helped decide which was the winner. Winning posters will be displayed around school to remind everyone to switch off anything not in use. Perhaps families could try switching off any unused items, or have your very own no electricity day!

Anti-Bullying Week

At the beginning of anti-bullying week we wore odd socks to celebrate our uniqueness and the fact that even though we are all different, we all matter. The theme of the assembly was 'one kind word'. In Amethyst class they thought about these questions What is Kindness? How could you show kindness? Why is it good to be kind?

They each thought about how they could be kind to others and made them into a class kindness promise.
